

47th Annual Avaya Doubles 6-6-6 Tournament

Estes Park Golf Course

July 20, 2024

RULES OF PLAY

Please keep up with the pace of play (keep up with the pace of the group in front of you).

For each hole, both players tee off from their designated tee box (**all men play from the white tees and all women play from the red tees**). The team will then decide which drive they will use for this hole. At least 6 drives must be used from each team member. Please mark the score card to indicate which drives are used on each hole. Each group of 6 holes will be a different format as shown below:

Holes 1-6: Two Person Scramble:

After each shot, the best shot will be selected of the two shots hit by the team, and both players will hit from that same location (within a club length, no closer to the hole, similar lie). This will continue until a ball is holed out.

Holes 7-12: Alternate Shot (Scotch Doubles):

After the initial tee shot is selected, that ball will be used to play out the hole. **DO NOT CHANGE THE BALL AND DO NOT MOVE THE BALL. PLAY IT AS IT LIES.** Players will alternate shots until the ball is holed out.

Holes 13-18: Shamble Best Ball (Best score of two players):

After the initial tee shot is selected, both players will hit their second shot from the same location (within a club length, no closer to the hole, similar lie), and play their own ball out from that point. **DO NOT CHANGE THE BALL AND DO NOT MOVE THE BALL.** Each player will play their own ball from that point on until the ball is holed out. Whichever player has the lowest score for the hole, that will be the score that should be recorded for the team.

Each team scores the other team's card for the foursome. In other words, trade scorecards with the other team you are playing with at the first tee box, and keep their score.

A single person can only win one contest hole prize (Long Drive, Closest to Pin, and Longest Putt, precedence will be in that order).

Closest to Pin - Hole # 15
